River Oaks Golf Course at Sandy City is centrally located in the heart of the Salt Lake Valley in Sandy, Utah. Its unique proximity to the Jordan River makes for an unforgettable eighteen holes of golf. With water or wetlands in play on almost every hole, a premium is placed on accuracy from tee shots to approach shots. With a par of 70 and a total length of just over 6500 yards from the championship tees, River Oaks offers something for every golfer and every skill level. While top amateurs love to test their abilities from the championship tees, ladies love our friendly yardages and open tee shots from the red tees. Golfers of all abilities rave about the playability of our course and the quality of our greens!

The front nine at River Oaks winds alongside the Jordan River and accompanying wetlands. With two par 5's and some short par 4's there are opportunities for scoring, but the front nine is considered the harder of two nines. If you look hard enough you may see an eagle or even a fox. There are many species of wildlife that call River Oaks home.

The back nine is by far the most popular stretch of holes at River Oaks. With several elevation changes and a more secluded feel, our back nine demands focus and attention on every shot. With the addition of the popular Sandy City Urban Fishery adjacent to holes twelve and thirteen, the back nine is a scenic and pleasant way to spend your time.

After a round of golf at River Oaks, enjoy a cold drink and a meal at our café and snack bar. Browse our full service and well stocked pro shop or utilize our state of the art practice facility which is one of the best in the state. Our friendly staff can give you a lesson, or fit you with the latest in golf equipment.
