

## Class Description Winter 2020

**Barre None:** This barefoot total-body class tones your arms, tightens your thighs, lifts your seat and strengthens your core. Utilizing changes in rhythm and range of motion, this class gives your muscles maximum time under tension for maximum results.

**Cardio Core:** High intensity cardio moves alternated with segments of core work. Burn calories and define your midsection of your body all in one class.

**Cardio Express/Pump:** The best of both worlds. High intensity cardio mixed with muscle toning of power pump.

**Cardio Kickbox:** The perfect class to vent frustration. Up tight from a stressful day? Leave it all behind as you combine ancient self defense movements with boxing skills. This demanding workout will challenge you both mentally and physically.

**Circuit Training:** mix of balls, bands, tubing, weights bars, and kickboxing. Class format is circuit training. You will experience a unique work out every time.

**Cycling:** A great way to bring the benefits of cycling to group fitness. Cycling takes you on a virtual outdoor ride complete with hills, valleys, flat roads, sprints, and jumps. Cycling is taught on stationary bikes to great music with an instructor coaching you along the ride. All fitness levels are welcome.

**Exclusively Core:** A rocking 30 min. core workout. Building strength begins with your core.

**HIGH Fitness:** A hardcore fun fitness class that incorporates interval training with music you love and easy to follow choreography.

**Total Body Fix:** High intensity interval training will work you out hard from start to finish. Circuit training to motivating music and instruction.

**Keep it Movin':** Class is designed for anyone who may want a gentler approach to fitness. Music from the 40s, 50s and 60s provides the inspiration to get moving! Low impact, strength training and balance work combined with a fun atmosphere.

**Pilates:** A method of body conditioning, Pilates combines the benefits of weight training, tai chi, yoga, and meditation. Your awareness of breathing, relaxation, concentration and fluidity will heighten during the physical work of this exercise. Pilates provides strength, flexibility and empowerment to all who take this class.

**Power Pump:** Exclusive to ACSC, this format was designed to combine the best of weight room lifting and group exercise. This class will use dumbbells, resistance tubing, exercise balls, and weights bars with optional plates to add strength and define muscle mass.

**Power Step:** An intermediate to advanced level class filled with step choreography and powerful moves. Excellent large muscle conditioning and strengthening class that compliments aerobic fitness.

**Stretch and Strengthen:** The best of both worlds. This hour workout brings you integration for yoga poses and Pilates moves that will encourage strength, flexibility, balance and power. The challenge, created to improve muscle strength and endurance, will be contrasted with an experience of relaxation and calm. This class will introduce you to an effective way of reducing and releasing stress as well as developing a new acceptance and respect for your body.

**STRONG (by Zumba) Express:** This 30 min class combines body weight, muscle conditioning, cardio and plyometric training moves synced to original music that has been specifically designed to match every single move.

**Yoga:** Appropriate for everyone at any fitness level or age. Strength, flexibility and relaxation are combined to achieve mind/body health and total performance.

**Zumba:** Combination of high-energy dance moves and Latin music. No dance experience required.
